Innovative techniques for the modern HPB surgeon

OCTOBER 21, 2016
LAS VEGAS, NEVADA
COURSE OBJECTIVES

On behalf of Carolinas HealthCare System, the Division of HPB Surgery at Carolinas Medical Center invites you to register for the CME accredited Carolinas HealthCare System Training Course in Laparoscopic HPB Surgery. The course will take place October 21, 2016 at the Oquendo Center in Las Vegas, Nevada and will provide a full day of learning objectives followed by a hands-on lab experience.

The program offers a unique opportunity for practicing HPB, surgical oncology, and transplant physicians to receive practical training and instruction in minimally invasive HPB surgery. By receiving an intensive and focused training and education experience, course attendees will strengthen and broaden their practice by learning additional modern treatment options to provide to their patients.

HANDS-ON LAB

Oquendo Center
2425 E Oquendo Road
Las Vegas, Nevada 89120
